Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Monday 06 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain or snow and strong winds arriving on Tuesday.

This Evening and Tonight:
A few wintry showers in the west and far north overnight with a chance of icy patches. Otherwise dry with clear spells and a widespread frost developing.

Tuesday:
Bright start then heavy rain, with heavy snow on high ground, perhaps briefly to low levels, will spread northeast through the day. Turning showery from the south later. Easterly gales.

Outlook for Wednesday to Friday:
Showery on Wednesday with snow on the hills. Further showers in northeast on Thursday, drier in south and west. Further rain or showers on Friday.
